**Boxon  
Innovation  
Team**

*The **Boxon Innovation Team** is a team with extensive experience in both the packaging industry and in the marking/label industry.*

*Our work method is simple – based on an idea or a need, our constructors and designers set to work to produce the best solution. We develop creative, brand-enhancing labels for a variety of businesses. The labels are produced in an optimal, efficient way using cutting-edge printing technology.*
